

Lee Cordingley

Cannabis Industry Management Consultant

Scottsville, KY 42164

leecordingley69@gmail.com

+12704180393

My military experience coupled with my professional career as a plumber has allowed me to work in the medical cannabis industry for over 20 years in various capacities: multiple-states, cultivation/management, caregiver, medical patient, general management, security.

Authorized to work in the US for any employer

Work Experience

Cannabis Advisor, Cultivator, Care-giver, Gen. Management

Green Footprint LLC, COCT Ministry - OR, WA, CA, CO

January 2003 to Present

My main areas of focus has always been: (1) Working with veterans with PTSD, cancer, and addiction. (2) Creating a cultivation system that produces little or zero waste with a minimal energy footprint. (3) Using food grade materials with organically and naturally derived materials to ensure safe effective medicine. (4) Guarantying on time perpetual harvests.
